

## Breaking news - we are moving premises!

We are excited to announce that The Olive Branch will be moving premises next week, to Harper's Mill, which is adjacent to our current units on White Cross Business Park.

In order to move across to Harper's Mill, **we will be closed to guests and donors between 6th and 10th May**. We will reopen in Harper's Mill and resume our usual activities from **Monday 13th May**.

We are really grateful for this new place, which will give us both more space to welcome and provide support to our guests, and more storage space for food.

We look forward to opening our new doors soon!
